Product Description:

Amino Max from SportPharma is a complete, full spectrum amino acid supplement. Rich in potent, efficient peptide-bonded amino acids for greater assimilation, Amino Max is also complete. Each tablet provides 2250 milligrams of total amino acids, including all the essential amino acids (EAA), as well as all three branched chain amino acids (BCAA). Amino acids are the building blocks of protein and they play a critical role in the repair, growth and development of muscle tissue. Amino Max's amino profile is uniquely suited for helping to ensure optimal muscle anabolism and helping to maintain a positive nitrogen balance. Vitamin B6 has been added to help absorption.*

Our Pledge:

Buying a supplement is a big deal. You want quality. You want what's on the label inside the bottle. You want products that work. At SportPharma, we manufacture our own products to exacting standards, test them, and then stand behind them with a guarantee. We use ingredients that have been researched in the lab and tested in the real world. At SportPharma, our goal is to deliver quality products that will work and help you grow. Quality. Trust. Results. Guaranteed. That's SportPharma. That's quality you can build on.

Other Ingredients: Amino Max Full Spectrum Amino Blend [whey protein concentrate (milk), whey protein hydrolysate], dicalcium phosphate, stearic acid, magnesium stearate, pyridoxine HCl.

Directions: As a dietary supplement, take 1 tablet on an empty stomach prior to meals. On training days, take one tablet prior to the workout and another tablet after completion.

Our Guarantee: Every products comes equipped with our 100% unconditional money back guarantee. If you are not satisfied, take the remainder of this product back to your place of purchase for a full refund or credit.
