## PRODUCT DESCRIPTION:

SportPharma Joint-V is comprised of 5 key joint support nutrients that work together to keep your joint health covered from all angles. Glucosamine sulfate acts as an important building block of joint tissue and aids in the support of healthy cartilage and other connective tissue. Chondroitin sulfate works to attract and hold fluid in the joints, thereby giving cartilage its elasticity. MSM is a natural source of sulfur, a compound that the body needs in order to maintain healthy cell membranes, pliancy of connective tissue, and helps combat inflammation. Hyaluronic acid assists in regulating the synovial fluid keeping joints lubricated. And lastly, ginger root is added to support digestion and aid to combat joint inflammation. Designed for hard training athletes and fitness enthusiasts alike, Joint-V acts as a key cornerstone to support your workout endeavors.

## Our Pledge:

Buying a supplement is a big deal. You want quality. You want what's on the label inside the bottle. You want products that work. At SportPharma, we manufacture our own products to exacting standards, test them, and then stand behind them with a guarantee. We use ingredients that have been researched in the lab and tested in the real world. At SportPharma, our goal is to deliver quality products that will work and help you grow. Quality. Trust. Results. Guaranteed. That's SportPharma. That's quality you can build on.

**Other Ingredients:** Dicalcium phosphate, maltodextrin, microcrystalline cellulose, stearic acid, magnesium stearate, pharmaceutical glaze. Contains shellfish (crab/shrimp shell). Made in a GMP facility on equipment that processes milk, soy, egg, peanuts, tree nuts, fish, shellfish, and wheat.

**Directions:** As a dietary supplement, take 3 tablets per day, preferably with a meal.

**Our Guarantee:** Every product comes equipped with our 100% unconditional money back guarantee. If you are not satisfied, take the remainder of this product with receipt back to your place of purchase for a full refund or credit.
